CREATIVE DIRECTOR / ART DIRECTOR / GRAPHIC DESIGNER  
[www.LoganAdamsDesign.com](http://www.LoganAdamsDesign.com)

As a life-long creator, builder and tinkerer, my multi-faceted background has helped me develop a strong sense of design. While my professional titles have varied from Contractor and Fabricator to Designer and Art Director, what sets me apart from others in my field is my passion for creating something out of nothing and my willingness to enthusiastically meet any challenge, head-on.
